**GENERAL ORDER REGARDING MASKS, COURTHOUSE ENTRY,  
AND PHYSICAL DISTANCING REQUIREMENTS**

This General Order is issued in response to the COVID-19 pandemic in accordance with the *Pandemic/Infectious Disease Plan for the United States District Court for the District of Maine* (March 2020). The Court adopts and incorporates the findings made in its previous General Orders as to the threat to public health and safety presented by the COVID-19 pandemic.

Accordingly, to protect public health and safety, it is hereby ORDERED:

- 1. Applicability.** The following requirements apply to the Edward T. Gignoux Courthouse in Portland, the U.S. Probation and Pretrial Services Offices in Bangor and Portland, the United States Bankruptcy Court in Portland, and the third floor of the Margaret Chase Smith Federal Building in Bangor (“the Courthouses or court-occupied spaces.”)
- 2. Physical Distancing.** Six-foot physical distancing requirements remain in effect for all persons, whether vaccinated or unvaccinated, in the Courthouse or any court-occupied spaces, unless otherwise directed by a Judge. Minor children are not required to stay apart from an accompanying adult.

### **3. Mask Requirements.**

- a. All persons seeking entry to the Courthouses and court-occupied spaces are required to wear a mask at all times while they are occupying court-occupied spaces.
- b. Masks must be worn in all publicly accessible areas of the Courthouses and court-occupied spaces, including court security screening entrances, hallways, courtrooms, conference rooms, and elevators, unless otherwise directed by a Judge. If the wearer is a court employee who is vaccinated and who is alone in a private office, cubicle, or workspace where at least six feet of physical distance from other persons can be maintained, the wearer may temporarily remove the mask.
- c. The Court will provide masks to its employees and those visitors who do not have a mask.
- d. Masks are not required for children under age 2, anyone who has trouble breathing or related medical conditions, or anyone who is unable to remove the mask without assistance. A person who cannot wear a mask because of a medical condition is not required to produce medical documentation of the condition, except that the Court may require such documentation from an employee in accordance with state and federal law.
- e. Every attorney, party, witness or other person who will have a speaking role in an in-court court proceeding, who is fully vaccinated, and who wishes to remove their mask while speaking:
  - i. Must take a rapid antigen test and test negative the day of the court proceeding. The test will be self-administered, under the supervision of the Clerk's Office and will be provided without charge. If the circumstances permit, the test should be taken at least one hour before the court proceeding. Attorneys shall inform their clients and witnesses of this requirement.

- ii. **Test Results.** The results of the rapid antigen test will be reported to the presiding Judge before the court proceeding. The Clerk's Office shall maintain a record of all tests administered.
  - iii. Persons with a speaking role who fail to comply with the test requirement are not permitted to remove their masks when speaking during a court proceeding.
  - f. Persons in custody will be tested before their court appearance in a manner approved by the U.S. Marshal or his designee.
  - g. For the purposes of this Order, a person is considered fully vaccinated 14 days after the completion of the COVID-19 vaccination series. For the Moderna and Pfizer vaccines, this means 14 days after the second shot; for the Johnson & Johnson vaccine, this means 14 days after the single shot.
- 4. Entry Restrictions.** Regardless of vaccination status, an individual may not enter the Courthouse or court-occupied spaces if that individual:
- a. Is unwilling to comply with the requirements of this Order;
  - b. Has COVID-19 or has been told to presume that the individual has COVID-19 by a health professional within the last 14 days; or
  - c. Is experiencing any of the symptoms of COVID-19 or has been in close contact with a person with COVID-19 within the last 14 days.

If you are scheduled or required to appear and you are unable to appear because of the restrictions in this Order, you are directed to contact the appropriate person listed in the Points of Contact in Appendix A of this Order.

**5. Points of Contact.** Members of the public who have questions about the entry requirements or other provisions of this Order are encouraged to contact the points of contact listed in Appendix A to this Order.

**6. Effectiveness; Termination.** This General Order supersedes General

Orders 2020-7 and 2020-13, as well as the Court's *Plan for Resuming Trials* (Apr. 13, 2021) and *Protocols Concerning In-Person Court Proceedings During COVID-19 Pandemic* (Apr. 20, 2021). This General Order takes effect at 8:00 a.m. on December 20, 2021 and shall remain in effect until further Order of the Court.

**SO ORDERED.**

**Dated: December 10, 2021**

/s/ Jon D. Levy  
**CHIEF U.S. DISTRICT JUDGE**
